About the Message:

I'm not a crazy fan of Charlie Brown specials, but I did grow up with the 1965 Christmas special that stressed the real meaning of Christmas. The Charlie Brown crew finds themselves together after rejecting the commercialization of the Holiday; after rejecting the aluminum tree craze, Charlie Brown picks the only real tree he can find and it's a humble, scraggly little tree. After receiving ridicule for such a pathetic tree, the entire crew comes together to celebrate the "real meaning of Christmas" as read by Linus from Luke Chapter 2.
