About the Message:

Today there are about 7 billion people on the earth. About 2 or so billion would call themselves or identify as "Christian" Out of that 2 billion about 1.2 billion are Roman Catholic. 500 or so million Pentecostal Holiness or Charismatic. Rest smattering of independent Baptists, Mormon, Methodist groups. In reality, the US is not the largest Christian nation on earth. India has about 300 million Christians, Brazil 140 million. In the US only about 1 in 8 people now attend a House of Worship any given month. Welcome to World Communion Sunday 2024. So where is the Unity? How can bread and wine bind so diverse peoples together for at least one Sunday? Unity is about many things, it's also not other things. So, what exactly is Christ praying about?

Confession of Faith

This is what we confess as a Body of Christ. The Bible is the inerrant Word of God. The sole authority in all matters of life and faith. We confess that Jesus Christ alone is the only name of Salvation. We confess that the Holy Spirit alone brings New Life and holiness to the Church. Guided by such, we affirm, and we as a Body of Christ stand upon the solid rock of our Lord Jesus Christ, and we will not be moved.
