The timeline will start around 1950 and will span 75 years, to present day. Things like Weddings, baptisms, events and other special dates are a good place to start. You do not have to sign all of your post it notes. Please give some thought to your important dates and keep an eye out for more information on this project.

"Doxology"  
Thomas Ken (1637-1711)

The lines of the Doxology have been the most frequently sung words of any known song for more than 300 years. Even today, nearly every English-speaking protestant congregation unites at least once each Sunday in this noble overture of praise.

The author of this text was a bold, outspoken 17th century Anglican Bishop named Thomas Ken. Thomas' illustrious career in the ministry was stormy and colorful. He served for a time as the English chaplain at the royal court in the Hague, Holland. Thomas was so outspoken, however, in denouncing the corrupt lives of those in authority at the Dutch capital that he was compelled to leave after a short stay.

Upon his return to England, Thomas was appointed by King Charles II to be one of his chaplains. Thomas continued to reveal the same spirit of boldness in rebuking the moral sins of the King. Despite this, King Charles always admired his courageous chaplain, calling him "the good little man."

One historian gave this tribute to Thomas: "He came as near to the ideal Christian perfection as human weakness permits."
